After the dog is dried she's spritzed with **Shimmering Mist** which moisturizes, texturizes and repels dust and dirt while adding that extra touch of bling.

### Who is it for?

- Dogs that:
- Deserve to be pampered
  - Have arthritis or hip dysplasia
  - Need a bath or all-over beautification
  - Aging dogs or dogs recovering from surgery

### The Experience:

This soothing spa experience begins with a calming all-natural herbal elixir, this helps your dog relax and enjoy a 15-minute massage with happytails' **Unwind that Canine Massage Remedy**. Warming botanicals and essential oils of arnica and rosemary relieve swollen joints and soothe tired muscles. The experience is heavenly, the results are healing. Next the dog is coated in Fur Butter, an ultra rich deep conditioning treatment for dry, damaged or long coats.

Then, soft cascading waters wash away those doggie tensions as she is prepared for gentle cleansing: Choose **Sparkle & Shine** shampoo with yogurt and honey to brighten light colored coats; or **Comfy Dog** shampoo with oatmeal and peppermint to reduce itching.

Now for the ultimate moisturizing experience. As your dog relaxes, those dry cracked paws will be drenched in **bowWOW Butter Balm**, an indulgent shea butter balm that contains Indian frankincense, tea tree oil and marshmallow extract all of which calm hot spots, soothe irritated skin and prevent further drying.

Next, your doggie will enjoy a relaxing aromatherapy application. The lavender and chamomile of **Calming Aromatherapy Spritzer** will nourish, detangle and add a mesmerizing shine.

To top off this luxurious treatment, a few spritzes of **Dog Smog Remedy**, a breath freshener and Digestive Solution will leave her insides as clean and fresh as her outsides.
